

Application to join the GeoPT programme for whole rock techniques

The Steering Committee for the GeoPT proficiency testing programme:

Peter Webb, The Open University, Milton Keynes;
Michael Thompson, Birkbeck College, University of London;
Phil Potts, The Open University, Milton Keynes.

See details about the GeoPT programme in the accompanying web pages (accessible from: <http://geoanalyst.org/>)

If you would like to participate in future proficiency testing rounds organised for geoanalytical laboratories, please register by completing and submitting the application form at the end of this page.

GeoPT is sponsored by:

The International Association of Geoanalysts and *Geostandards and Geoanalytical Research*

Please register my laboratory to participate in the next round of the international proficiency test of analytical geochemistry laboratories. Details of name and address to whom the sample, the subsequent report and invoice covering the annual subscription should be sent are given below.
